

## the MTM champion advantage

### Orange Bowl Trophy

MTM designs and manufactures a majority of the Bowl Game Championship trophies for College Football. The prestigious Orange Bowl trophy is one of many outstanding awards MTM has created over the years.

### Big 12

Since its inception in 1995, MTM has designed and manufactured all sport championship awards under the Big umbrella including trophies, medallions and plaques.

### NCAA Golf Trophy

MTM is the Official Awards Program Supplier for the NCAA.

*"The NCAA was looking for suppliers that could design and administer our championship awards program and didn't think we could find one company to do what was required. We made the right decision in choosing MTM as NCAA's Official Championship Awards Supplier."*  
— MICHAEL KING, NCAA,  
DIRECTOR OF OPERATIONS

### University of Alabama

Creators of the Walk of Champions at the University of Alabama

### Special Olympics

For more than 19 years, MTM has been a sponsor for the Special Olympics Games and has been providing the medals for these world-class athletes.

## the MTM advantage

MTM Recognition is the largest and most diverse awards manufacturer and distributor in North America. MTM Golf, a division of MTM Recognition, has been a leader in the design and creation of “one of a kind” golf awards for decades. MTM’s unique and memorable custom awards are recognized throughout the globe both in professional and amateur sports. MTM Golf specializes in bronze and crystal sculptures, bag tags and golf related corporate gifts. Make it Memorable.....Make it MTM .

Tournament directors enjoy the one-stop-resource advantage, consolidating all their recognition purchases from one source.

## manufacturing

MTM is so confident of our craftsmanship and design that we offer lifetime warranties on MTM manufactured awards, rings, jewelry, gemstones and proprietary watches—unmatched in the recognition industry.

## quality

MTM’s Princeton facility was honored with the Performance Excellence Award by the Lincoln Foundation for Performance Excellence. The Malcolm Baldrige National Quality Award (MBNQA) principles are used as part of the requirements. MTM Recognition is ISO 9001 certified. Our Princeton facility designs custom jewelry recognizing clients ranging from corporate achievers to Super Bowl champions.

## creative advantage

Our creative advantage is the ability to develop custom awards for our clients—works of art with lasting heirloom quality. Our awards are like none other in the industry in that they reflect your heritage and your identity, and are custom designed and produced in our facilities. MTM also designs and produces collateral materials such as catalogs and communication tools using our in-house creative staff and FlexCom on demand printing system.

## customer care

Our customer care teams take great pride in delivering unmatched customer service in the industry. They work behind the scenes to create a partnership between our customers and our company. It’s like having another team member working for you. Our administrative staff creates a hassle-free experience, going above and beyond to make sure everything is done right from start to finish.

## information technology

We offer extensive web capabilities utilizing state-of-the-art design and technology. We provide e-commerce options for product purchases as well. Our systems run on the IBM AS400 platform.
